

Heart Ball Auction

General Information and Rules

Welcome to the 28th Annual Heart Ball silent auction. The silent auction features an array of goods and services donated by businesses and individuals from throughout Sacramento and beyond. The silent auction offers you the chance to purchase unique and interesting items for your home, your family, and your friends, while contributing toward an important cause. Funds raised during the silent auction go directly toward our fundraising goals. Every bid makes a difference!

R U L E S

The Silent Auction will open at 6:00 p.m. and will close in rounds beginning at 7:00 p.m. The last proper bid on the sheet at that time will determine the purchaser of a given item.

Each item is listed on a "Bid Sheet" with a minimum bid, a minimum increase, and a space for the most recent bid.

To bid on an item, please write only your bidder number next to the appropriate bid amount on the bid sheet. No oral bids will be accepted.

Each new bid will replace the old bid on the "Bid Sheet" and must be raised by the minimum amount indicated. No exceptions.

The highest bidder at closing time receives the item as determined by the attendant, whose decision is final. A board will be at checkout after the program and awards ceremony ends, listing the winning bid numbers and bid amounts.

Restrictions are listed in the Silent Auction insert in the event program, on the bid sheet or on the original certificates and the buyer is responsible for noting all that apply. All sales are final.

The listed or implied value of an auction item, if any, is an estimate from the donor. The American Heart Association will not arbitrate any disputes between purchase price and actual value.

Silent Auction will close at 7:10 p.m. After dinner, guests will be able to view the boards and the winning bid numbers. The payment and pickup tables are not available until the band begins performing.
